

**Regarding need to declare Mahatma Basaveshwara Jayanti as a National event and include his ideals in school curriculum in the country- Laid**

**SHRI SURESH KUMAR SHETKAR (ZAHIRABAD):** I wish to draw the attention of the Government to the urgent need for national recognition of Mahatma Basaveshwara, a visionary 12th-century philosopher and social reformer. His revolutionary ideals of social justice and gender equality, challenging caste discrimination centuries ago, are foundational to the spirit of our Constitution. Mahatma Basaveshwara established the Anubhava Mantapa, often referred to as the world's first spiritual Parliament—a truly democratic platform open to all sections of society, predating institutions like Magna Carta. His principles of "Kayakaive Kailasa" (Work is Worship) and "Dasoha" (Service and Equal Distribution) remain relevant guiding principles for building a fair society today. While Mahatma Basaveshwara Jayanti is celebrated in several states, his universal message warrants national recognition. I humbly request the Central Government to officially declare Mahatma Basaveshwara Jayanti as a formal National Event across the country. Furthermore, I urge the Ministry of Education to include Mahatma Basavanna's inspiring biography, his message of equality, social harmony, and democratic values in national school textbooks (NCERT/CBSE) to educate our youth and reaffirm India's proud civilizational truth that "India is the Mother of Democracy."
