

Regarding demand for an announcement of wet drought and loan waiver for farmers and students

SUSHRI PRANITI SUSHILKUMAR SHINDE (SOLAPUR): I wanted to talk about flood like situation due to heavy rains in the month of September in my state Maharashtra. It harmed both farmers as well as citizens. The farms, houses, crops, everything got washed away due to the flood. The relief declared by Government of Maharashtra is very less. We havent received relief from centre because Government of Maharashtra still not able to send the proposal to centre. Yesterday, Home Affairs ministry confirmed that there is no prposal received from NDRF, Maharashtra. This is injustice to farmers of my constituency, Solapur & Usmanabad districts in Maharashtra. We have demanded there should be an announcement of wet drought, and loan waiver to farmers as well as students must be declared. Central and state governments are busy in the election campaigns only and not concerned about the pitiable conditions of farmers in Maharashtra.

वहां पर साल में चार बार केवाईसी की जाती है । अब उसकी कोई जरूरत नहीं है । वह क्राइटेरिया रद्द कर केन्द्र सरकार से हमारे किसानों को तुरंत मदद मिलनी चाहिए ।
