

Regarding expedite the compensation to the farmers

DR. C.N. MANJUNATH (BANGALORE RURAL): Hon. Chairperson Madam, I would like to thank you for giving me this opportunity to raise an issue of public importance. We have a greenfield national highway project called Satellite Town Ring Road (STRR) attached to NH-948A. A piece of 2,200 acres of land was acquired in the year 2021 for this project. So far, no land compensation has been given to the farmers. Farmers are in distress and in tears.

Through you, Madam, I urge upon the Prime Ministers Office and the hon. Minister of Road Transport and Highways to expedite this project so that the long pending issue of compensation to farmers could be resolved.

The STRR project runs through Magadi, Ramanagara, Anekal and Harohalli which fall in my constituency, Bangalore Rural. I once again request the Government to expedite it. Thank you, Madam.
