

Regarding naming of Adampur airport as Jagatguru Ravidas ji Maharaj International Airport

DR. RAJ KUMAR CHABBEWAL (HOSHIARPUR): Thank you very much, Madam Chairperson for providing me an opportunity to speak on the issue of the expansion of Adampur Airport. Adampur airport is situated in Jalandhar district of Punjab where a large number of NRIs are living and major industrial activities including small and medium units are functioning there. So my demand through you is to declare this airport as an international airport. From next year i.e. from 2026 to 2027, the birth centenary (Prakash Parv) of Jagatguru Ravidas ji Maharaj will be celebrated throughout the year. In past, too, we had sent a proposal through Punjab Vidhan Sabha for renaming Adampur airport as Jagatguru Ravidas ji Maharaj Airport. So, I request the Government, through you, to approve Adampur airport as Jagatguru Ravidas ji Maharaj International Airport. Government should name it and we will write it in golden letters. Thank you.
