MINISTER OF TOURISM & CULTURE (SHRI JAGMOHAN)

(a) : Yes, Sir. During the Tenth Five Year Plan, the Deptt. of Tourism has introduced a scheme for Product/Infrastructure and Destination Development in order to improve existing tourist destinations and develop new tourism products to world class standards. The scheme would result in integrated destination development. The destinations are selected in consultation with the State Govts. based on tourism potential and master planning of these destinations are undertaken so as to develop them in an integrated holistic manner.

(b) & (c) : The Deptt. of Tourism has not received any such proposal from the State Govt. of Kerala for development of destination under this scheme during the current year.
