MINISTER OF STATE IN THE MINISTRY OF RAILWAYS( SHRI BANDARU DATTATRAYA )

(a): Yes, Sir.

(b): At present, Jamnagar has 3 lines (tracks) in the station yard and 2 platforms. The demand is for provision of an additional 4th line (track) and one more platform at Jamnagar.

(c) The facilities already existing in Jamnagar are adequate to deal with the traffic requirement. Additional track or platform at Jamnagar are neither operationally required nor financially justified.
