

**GOVERNMENT OF INDIA
NON-CONVENTIONAL ENERGY SOURCES
LOK SABHA**

UNSTARRED QUESTION NO:6728
ANSWERED ON:08.05.2003
POWER GENERATION FROM NCES IN U.P.
BALIRAM

Will the Minister of NON-CONVENTIONAL ENERGY SOURCES be pleased to state:

- (a) the total quantum of power generated through non-conventional energy sources in Uttar Pradesh;
- (b) the number of various types of non-conventional energy projects started in the above State and the amount invested in each project; and
- (c) the amount provided to the State as assistance to boost non-conventional energy sources during the last three years till date?

Answer

THE MINISTER OF STATE OF THE MINISTRY OF NON-CONVENTIONAL ENERGY SOURCES (SHRI M. KANNAPPAN)

- (a): It is estimated that about 258.50 million units of electricity was generated from non-conventional energy sources during 2002-03 in Uttar Pradesh.
- (b) & (c): A total of 74.12 MW capacity from various non-conventional energy sources which include 21.50 MW from small hydro, 46.50 from biomass cogeneration, 2.80 MW from biomass gasifier, 0.32 MW from solar and 3.00 MW from energy from wastes have been installed as on 31.3.2003 in Uttar Pradesh. A total amount of Rs.254.00 crore has been provided to Uttar Pradesh under various non-conventional energy projects including power generation projects as on 31.3.2003. A total financial assistance of Rs.17.81 crore has been provided under these non-conventional energy projects for power generation to Uttar Pradesh during the last three years as on 31.3.2003.
