- (c) if so, the details thereof; and
- (d) if not, the reasons therefore and the time by which petrol pumps/gas agencies are likely to be setup at the approved locations?

Answer

MINISTER OF PETROLEUM & NATURAL GAS & PANCHAYATI RAJ (SHRI MANI SHANKAR AIYAR)

(a) to (d): The public sector oil marketing companies (OMCs) have so far approved 34 locations for setting up retail outlet dealerships (petrol pumps) and 31 locations for setting up LPG distributorships (gas agencies) in the State of Arunachal Pradesh. Out of these locations, 19 retail outlet dealerships and 28 LPG distributorships have been commissioned, details of which are given at Annexe-I & II respectively.

Out of the remaining retail outlet dealership locations, two locations have since been dropped, as they were found to be unviable. Similarly, one location for LPG distributorship is also proposed to be dropped because of its non-viability. Further, the commissioning of one retail outlet dealership is held up as the case is sub judice.

The remaining cases of retail outlet dealerships and LPG distributorships are at various stages of processing. However, it may not be possible to indicate the time-frame within which the remaining retail outlet dealerships / LPG distributorships are likely to be commissioned as the process involves a number of stages like selection of dealers/distributors as per policy guidelines, various approvals, etc.
