UNSTARRED QUESTION NO:525
ANSWERED ON:25.11.2005
POWER GENERATION CAPACITY
Renge Patil Shri Tukaram Ganpatrao

Will the Minister of POWER be pleased to state:

- (a) whether installed power generation capacity of the power plants, which supplies power in Maharashtra has not been augmented during the last two years;
- (b) if so, the details thereof; and
- (c) if not, the reasons therefore?

Answer

THE MINISTER OF POWER (SHRI P.M. SAYEED)

(a) to (c) : 1. The installed power generation capacity of the power plants supplying power in Maharashtra has been augmented during the last two years as per the details given below:

- (i) Renovation & Modernization (R&M) and Uprating of Tillari H.E. Project (Installed Capacity 1x60 MW) completed during the year 2004-05 resulting in uprating of installed capacity of the unit from 60 MW to 66 MW.
- (ii) R&M & Uprating of Koyna Generating Complex Stage-I to III (Installed Capacity 4x70 MW + 4x80 MW + 4x80 MW) completed during 2004-05 resulting in improvement in reliability/availability of the project.

2. Further, certain R&M works of the following three hydro electric power projects are presently in progress and are likely to be completed by the end of the 10th Plan:

- (i) Koyna I & II (Installed Capacity 4x80 MW + 4x80 MW)
- (ii) Vaitarna (Installed Capacity 1x60 MW)
- (iii) Koyna III (Installed Capacity 4x80 MW)
