- (b) the activities undertaken by these zones during the past three years;
- (c) whether these zones are not functioning as per the target set for them;
- (d) whether any survey has been done by the Government in this regard; and
- (e) if so, the outcome of the survey?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY (SHRI E.V.K.S. ELANGO VAN)

(a) & (b): All the Export Processing Zones have been converted into Special Economic Zones and there are no Export Processing Zones at present.

15 Special Economic Zones (SEZs) are in operation at present. These are at Kandla and Surat (Gujarat), Mumbai (Maharashtra), Cochin (Kerala), Noida (U.P.), 3 SEZs at Chennai and nearby (Tamil Nadu), Visakhapatnam (Andhra Pradesh), Indore (Madhya Pradesh), Jaipur and Jodhpur (Rajasthan), Falta, Manikanchan and Salt Lake Electronic City (West Bengal).

There are no Foreign Trade Zones.

State-wise and location-wise details of Agri Export Zones (AEZs) are annexed.

The units in SEZs are engaged in exports and the export performance of Zones during the last three years is indicated below:

Year Export (Rs. crores)

2002-2003 10,057

2003-2004 13,854

2004-2005 18,309

The AEZs were conceived to strengthen the supply chain for export of agri products from farm to port. This is achieved through activities focusing on production of agri products so as to increase yield, productivity and improve quality, upgrade infrastructure in the supply chain and promote value addition through processing and packaging.

(c) to (e): Exports from SEZs during 2004-05 were Rs. 18,309 crores against the target of Rs. 17,320 crores. A peer evaluation of AEZs with a view to assess their performance is underway.

Annexure referred to in reply to parts (a) and (b) of Lok Sabha Unstarred Question No:2900 for answer on 13.12.2005
