Answer

MINISTER OF LABOUR AND EMPLOYMENT (SHRI K. CHANDRASEKHAR RAO)

(a) & (b): The details of vacancies in the medical wing of ESI Corporation are Annexed. Besides this, there are 2005 vacancies on the non-medical side of ESIC. The beneficiaries are not facing any problem because the medical services are being provided by appointing Sr. / Jr. Residents and other staff on contractual basis till regular incumbents are posted. On the non-medical side, the services are being provided by redeployment / rationalization of staff.

(c) & (d): The filling up of vacancies is a continuous process and recruitment is done on a periodical basis because vacancies occur almost on a regular periodicity.
