Badiga Shri Ramakrishna

Will the Minister of WATER RESOURCES be pleased to state:

- (a) whether a number of irrigation projects of Andhra Pradesh are pending clearance with the Central Water Commission (CWC);
- (b) if so, the details thereof including the period of their pendency; and
- (c) the reasons therefor and the time by which the projects are likely to be cleared?

Answer

THE MINISTER OF STATE (INDEPENDENT CHARGE) FOR HEAVY INDUSTRIES, PUBLIC ENTERPRISES AND WATER RESOURCES (SHRI SONTOSH MOHAN DEV)

(a) to (c) Out of 32 irrigation/multipurpose project proposals received from Government of Andhra Pradesh 15 irrigation/multipurpose projects are under various stages of appraisal and 17 irrigation projects have been techno- economically accepted by the Advisory Committee of Ministry of Water Resources subject to compliance of few observations. The details of these 32 projects are in the statement enclosed.

The time taken for clearance of projects depends upon the promptness with which the State Government arrange compliance to the observations of Central appraising agencies.
