MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTILAL BHURIA)

The Government of India provided assistance to the State Governments under comprehensive Macro Management Scheme for development of Agriculture including horticulture, which also included schemes on fruits and vegetables, upto the year 2004-05. The scheme provided flexibility to the State Governments to take up programmes and fix targets as per their felt needs and requirements according to their Work Plans. After the launch of National Horticulture Mission (NHM) during financial year 2005-06, the programmes of horticulture in macro management Scheme subsumed with National Horticulture Mission. The National Horticulture Mission address the issues related to production and productivity of horticultural crops including fruit and vegetables and provide assistance for improving production of horticultural crops.

In the North East and Himalayan States of the country, the Technology Mission for Integrated Development of Horticulture in North East (TMNE), provides assistance for production of fruits and vegetables. Statement of total assistance provided to different States under these Scheme are given in Annexure I, II & III.
