Kharventhan Shri Salarapatty Kuppusamy

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

- (a) the areas which are covered in Delhi and other parts of the country for supply of Liquefied Petroleum Gas through pipeline ;
- (b) whether the Government proposes to extend this facility to other areas ; (
- (c) if so, the present status of the same and the time by which the LPG will be supplied through pipeline ; and
- (d) if not, the reasons therefor ?

Answer

MINISTER OF STATE IN THE MINISTRY OF PETROLEUM & NATURAL GAS (SHRI DINSHA PATEL)

(a) to (d) : Public Sector Oil Marketing Companies (OMCs) are not supplying LPG through pipelines in Delhi. However, OMCs have introduced LPG reticulated systems to distribute piped LPG to domestic customers in individual housing complexes in various cities, including Delhi. The system consists of a centralized LPG storage in cylinder banks and is proposed to be extended in other areas depending upon the customers` willingness to adopt the system and commercial consideration of OMCs.
