(a) & (b) The Ministry of Rural Development has issued guidelines for implementation of Pradhan Mantri Gram Sadak Yojana (PMGSY) which includes the process of identification and selection of roads for annual proposals. The Guidelines envisaged preparation of Core Network, Comprehensive New Connectivity Priority List (CNCPL) and Comprehensive Upgradation Priority List (CUPL) for every district. Projects to be included in the annual proposals are required to be selected in order of the priority indicated in the CNCPL and CUPL.

(c)to(e) No specific objection on the guidelines and implementation modalities of the Scheme has been received. However, suggestions received from the State Governments from time to time regarding implementation of the Scheme are considered by the Ministry.
