ANSWERED ON:10.08.2006
RAIL SAFETY PROJECTS
Barman Shri Ranen

Will the Minister of RAILWAYS be pleased to state:

(a) Whether several projects related to Rail safety in terms of track renewal, rolling stock replacement and repair of Railway bridges are pending; and

(b) If so, the details thereof, zone-wise?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R.VELU)

(a) & (b): No, Sir. Repair and maintenance and renewals/ rehabilitation of assets such as track, bridges and rolling stock is an on-going activity on Indian Railways.

The works for these are sanctioned and executed on age cum condition basis criteria. This is a continuous process.
