URBAN EMPLOYMENT AND POVERTY ALLEVIATION
LOK SABHA**

UNSTARRED QUESTION NO:2807
ANSWERED ON:17.08.2004
SLUM POPULATION IN CITIES
Jha Shri Raghunath

Will the Minister of URBAN EMPLOYMENT AND POVERTY ALLEVIATION be pleased to state:

- (a) whether the Registrar General of India had carried out a survey about the slum population in the country in census 2001;
- (b) if so, the details of cities having a slum population of more than and less than 50,000; and
- (c) the steps taken to bring about improvement in the condition of their living?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF URBAN EMPLOYMENT & POVERTY ALLEVIATION
(KUMARI SELJA)

(a): An attempt has been made for the first time during the Census of India, 2001 by the Registrar General of India to collect detailed data about slum population of the country but only in cities/towns having 50,000 population or more based on 1991 Census.

(b): As per the provisional figures of Census of India, 2001 the details of the cities having slum population more than and less than 50,000 are given in the Annexure.

(c): Slum Development is a State subject. The State Governments formulate specific plans, programmes and schemes for development of slums in various cities as per their priorities and make necessary provisions therefor in their respective State Plans. However, with a view to ameliorate the living conditions of the slum dwellers, a programme known as National Slum Development Programme (NSDP) was launched at the National level by the Government in August, 1996 for the development of urban slums. Funds under this Programme are allocated as Additional Central Assistance (ACA) to various States on the basis of pro-rata slum population.

Besides a new Centrally Sponsored Scheme called Valmiki Ambedkar Awas Yojana (VAMBAY) was launched on 2.12.2001 with a view to ameliorating the conditions of the urban slum dwellers living below poverty line who do not possess adequate shelter. The Scheme has the primary objective to facilitate the construction and upgradation of the dwelling units for the slum dwellers and to provide health and enabling urban environment through community toilets under Nirmal Bharat Abhiyan, a component of the Scheme.
