- (c) whether the Government have fixed any target for the next three years;
- (d) if so, the details thereof;
- (e) whether logistics post services has been launched in various cities of the country; and
- (f) if so, the details thereof?

**Answer**

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD)

- (a) As on date 8163 large Post Offices throughout the country have been provided with computers. State-wise list indicating number of post offices supplied with computers is given in the Annexure.
- (b) Order for supply of computers to 100 more post offices has been placed during this year.
- (c) & (d) Target for supply of computers to the post offices for the next three years has not yet been fixed.
- (e) & (f) Logistics Post has been launched by the Department of Posts for enabling the customers to send large consignments and goods of any weight. It aims to provide end-to-end logistics solutions to the customers across India by linking major cities and towns through a hub and spoke network.
