- (d) the steps taken by the Government for early completion of the project; and
- (e) the time by which the Railway Station is likely to start functioning?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI R. VELU)

- (a) No. Sir.
- (b) Railway has deposited Rs. 40 lakhs to the State Government for acquisition of 942.60 square meter of land required for construction in October 2003. Land has not been handed over to Railways. This is holding up the progress of other works.
- (c) The earthwork in formation, construction of retaining wall, minor bridges and linking of new diversion has been completed.
- (d) The diversion is proposed to be commissioned in second week of April 2005. The construction of platform, Foot Over Bridge and other connected works to be taken up after commissioning of diversion, are scheduled for completion by March 2006.
- (e) March 2006.
