Answer

MINISTER OF STATE FOR POWER, COAL , NEW & RENEWABLE ENERGY & MINES (SHRI PIYUSH GOYAL)

(a) : Various schemes have been launched by the Ministry of New & Renewable Energy (MNRE) with specific guidelines regarding exploitation of potential for the generation of renewable energy (RE) from various sources i.e. Solar, Wind, Small Hydro Power and Biomass in the country. The guidelines include standards & specification of systems / devices, various incentives provided, methodology of implementation of the programme and supporting activities.

(b) ; RE projects are mainly installed by the private sector. Some public sector organizations such as NHPC, NTPC, DMRC, Airport Authority of India have also invested in the RE sector. Source & State-wise details of cumulative achievements under various RE sources is given in Annexure-I.

(c) : The State/UT-wise details of central financial assistance provided for the development of various RE programmes during the last three years (2013-14, 2014-15 and 2015-16) and current year are given in Annexure-II.
