

**GOVERNMENT OF INDIA  
WATER RESOURCES, RIVER DEVELOPMENT AND GANAGA REJUVENATION  
LOK SABHA**

UNSTARRED QUESTION NO:284

ANSWERED ON:17.11.2016

Dams under Construction

Shetty Shri Gopal Chinayya

**Will the Minister of WATER RESOURCES, RIVER DEVELOPMENT AND GANAGA REJUVENATION be pleased to state:**

- (a) the number of dams under construction in the country as on date, State-wise;
- (b) the year of start of their construction along with expenditure to be incurred thereon including the time by which the construction work of these dams is proposed to be completed;
- (c) the names of these dams and the places where these are situated along with the extent of amount spent so far by the Union as well as the State Governments; and
- (d) the percentage of work executed with regard to their completion?

**Answer**

THE MINISTER OF STATE FOR WATER RESOURCES, RIVER DEVELOPMENT & GANGA REJUVENATION

(DR. SANJEEV KUMAR BALYAN)

(a) As per National Register of Large Dams (NRLD) maintained by Central Water Commission, there are 313 large dams under construction in the country as per list enclosed in ANNEXURE-I.

(b) to (d) 'Water' being a State subject, planning, execution, operation and maintenance of water resources projects including dams and canals are undertaken by the concerned State Governments as per their own resources and priorities. In order to supplement the efforts of State Governments, Central Government provides technical and financial assistance to encourage sustainable development and efficient management of water resources through various schemes and programmes viz. Pradhan Mantri Krishi Sinchayee Yojana (PMKSY) etc.

The information on the year of start of the construction, percentage of work completed, completion of construction, and the amount spent on these dams is maintained by the respective State Governments/implementing Authorities, such as NHPC.
