Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS
(SHRI RAJEN GOHAIN)

(a) & (b) Indian Railways already have manufacturing hubs for diesel engines (locomotives) and electric engines (locomotives) at Diesel Locomotive Works (DLW), Varanasi, Uttar Pradesh and at Chittaranjan Locomotive Works (CLW), Chittaranjan, West Bengal. Diesel Loco Modernization Works (DMW), Patiala in Punjab rebuilds diesel locomotives and also manufactures new diesel engines (locomotives) as per the requirement of Indian Railways.
