

Title: Need to develop Visakhapatnam Airport in Andhra Pradesh as an international airport-Laid.

SHRI M.V.V.S MURTHI (VISAKHAPATNAM) : The State Government of Andhra Pradesh is keen to develop an international airport at Visakhapatnam. This is necessary both for the development of tourism in the State as also for promotion of industries, including hardware, which require sophisticated logistic systems with international connectivity.

I request the Union Government to take necessary steps for development of Visakhapatnam Airport as an international airport as the earliest.
