Title: Need for early commissioning of Akashwani Station at Himmatnagar, Sabarkantha district, Gujarat-Laid.

SHRI MADHUSUDAN MISTRY (SABARKANTHA) : The new Akashwani (AIR) station is ready for functioning at Himmatnagar, Sabarkantha district in Gujarat.

The commencement of this AIR station is delayed due to non-appointment of the programmer and other staff by the Information and Broadcasting Ministry.

I draw the attention of the Minister and concerned officials to appoint the programmer and other related staff to start the functioning of this AIR station as early as possible.
