

Title: Need to set up an H.P.T. centre in Ajaddhya Hill Station in Purulia district, West Bengal. – Laid.

*** SHRI BIR SINGH MAHATO (PURULIA) :** A large number of Bengali speaking people of Purulia in West Bengal, Seraikela and Ranchi districts of Jharkhand do not have the privilege to hear and witness the Bengali T.V. Programme. A low power transmitter centre has been set up at Baghmundi in the district of Purulia to cater the Bengali speaking people. This centre is unable to cover the vast area.

A proposal was given to set up a high power transmission centre at Ajaddhya in Baghmundi P.S. in Purulia district.

I urge upon the Central Government to set up a HPT in Ajaddhya Hill Station in the district of Purulia in West Bengal.

*** Treated as laid on the Table**
