Title: Regarding supply of gas to the Pipaval Power Project from Tapti gas field and the development of Tapti basin.

SHRIMATI JAYABEN B. THAKKAR (VADODARA): Sir, this is a very important matter relating to my State, Gujarat. This is about the assurance given by the Minister on supply of gas to Pipaval Power Project from Tapti Gas Field and that the development plan for Tapti Basin would be finalised by May, 2004. However, nothing has come out of it so far. The Chief Minister had requested the then Prime Minister to finalise the allocation of 3.65 MM SCMD and to keep the landfall point either at Pipavavor or at Hajira. I urge the Government to sort out the issue without much loss of time.
