SHRI NAVEEN JINDAL (KURUKSHETRA): Mr. Speaker, Sir, Kurukshetra, the land of Mahabharata and Geeta is one of the most important historic sites of India. It is a major spiritual land religious tourist attraction for both domestic and international tourists. Every year, lots of pilgrims and tourists visit this holy place. But the amenities and facilities required for the tourists need much to be desired.

I request the Minister of Tourism to develop it as a centre of tourist attraction especially for the international tourists and sanction funds for this purpose.
