Title : Need to open an L.P.G. agency in Chikhhli, district Navsari, Gujarat - laid.

DR. TUSHAR A. CHAUDHARY (MANDVI): Taluka Chikhhli in district Navsari of Gujarat is a city having population of three lac twenty five thousand. 75% of the population in this area is of Scheduled Tribes. This city comes under my Parliamentary Constituency. As there is no LP Gas Agency in Chikhhli, the people of this area have to go to nearby cities to get the LP Gas connections as well to re-fill the empty gas cylinders. Keeping in view the genuine problem of the people of Chikhhli, I request the Government that a LP Gas Agency may be opened in Chikhhli at an early date so that the people of this area may get LPG supply without much inconvenience.
