Title: Shortage of LPG and Kerosene in Chamarajnagar Parliamentary Constituency of Karnataka.

SHRI M. SHIVANNA (CHAMARAJNAGAR): Hon. Speaker, Sir, today I would like to raise a very important burning issue, that is, the acute scarcity of LPG and kerosene oil in my constituency Chamaraj Nagar.

My home district and also my Parliamentary constituency Chamaraj Nagar is the most backward district in the country in respect of health, literacy and employment. 36 per cent of the total population is living below the poverty line. Going by the Human Development Index Chamaraj Nagar ranks 25<sup>th</sup> out of 28 districts in Karnataka. Now-a-days, people of my constituency are facing difficulties due to non-availability of LPG cylinder and kerosene oil in Chamaraj Nagar town and surrounding villages respectively. There are 1 lakh 20 thousand people living in Chamaraj Nagar town itself, but there has been only one Bharat Gas Agency in the town for the last 20 years. That single gas agency is not able to meet the demands of the increasing population. So, I request the Government to provide four more gas agencies to Chamaraj Nagar town and also take necessary steps to supply adequate quantity of kerosene to villages in Chamaraj Nagar district. With this, I conclude my speech. Thank you, Sir.

MR. CHAIRMAN: The House stands adjourned to meet again at 11 a.m. on the 14<sup>th</sup> of March, 2007.

**20.44 hrs.**

The Lok Sabha then adjourned till Eleven of the Clock
