Title: Need to provide stoppage of Pothigai Express at Thiruthangal and also provide basic amenities at the station.

SHRI RAVICHANDRAN SIPPAPARAI (SIVAKASI): In my Sivakasi Parliamentary constituency, Thiruthangal railway station is situated near the town bus stop adjoining highway. It is one of the highest revenue earners among all the stations on the route. But the condition of this vital station is pathetic. There is a need for an improved platform, well-maintained toilet and telecom facilities. The newly introduced Pothigai Express between Chennai-Thenkasi may be given a stoppage at Thiruthangal.

MR. CHAIRMAN: Shri Suraj Singh – not present.
