Title: Need to appoint regular teachers in Government Schools of Lakshadweep.

SHRI HAMDULLAH SAYEED (LAKSHADWEEP): Respected Deputy-Speaker, Sir, I would like to draw the attention of the House to the fact that on the 19<sup>th</sup> of July 2010 in Lakshadweep Islands, in the northern group of Kiltan island some students were protesting in the premises of Government High School Kiltan for appointment of regular teachers. The students were opposing the apathetic attitude towards the students. They were concerned about their future. The Lakshadweep Administration was very apathetic and was not giving much attention to the students. There was firing on the students who were unarmed. The firing was ordered by the Sub-Divisional Officer. I would urge the Government to intervene in the matter and ensure that regular teachers are appointed in the Government High School. I would also request the Government to fix the responsibility against the officer who ordered firing without application of mind on the unarmed students.
