SHRI M.B. RAJESH : Recently, an extremist organization called Popular Front of India chopped off the hands of a lecturer in Kerala. Subsequent to this incident, police has intensified its raid and as a result, many shocking information has been obtained.

The police seized many CDs and pamphlets from their hideouts....*(Interruptions)*

MR. CHAIRMAN : He is on his legs. You are a senior Member. When a Member is speaking, how can you stand and obstruct?

SHRI M.B. RAJESH : The contents of this seizure are antinational. Some of the CDs even contain visuals of executions carried out by Taliban terrorists in Afghanistan. Some of the pamphlets call for the overthrowing of the democratic system and establishment of a theocratic State. It has been reported in the media that even this organization has set up separate courts challenging the rule of law in our country.

The Popular Friend of India is an organization having close links with international terror network. They are receiving huge amounts of money from abroad. They are getting money and coordinating their activities under the cover of NGOs and Human Rights movements. Only Central agencies like NIA or CBI can enquire into their international connections and foreign sources of funding.

Unfortunately, due to political patronage extended by some Parties in the ruling coalition at the Centre, the Government of India is not interested....*(Interruptions)*

SHRI KALYAN BANERJEE (SREERAMPUR): Which is that Party?

SHRI M.B. RAJESH: I have not named you....*(Interruptions)*
