Title: Need to re-open the closed unit of Hindustan Fertilizer Corporation Limited situated at Durgapur, West Bengal.

-

SK. SAIDUL HAQUE (BARDHMAN-DURGAPUR): The urea producing plant of Hindustan Fertilizer Corporation Ltd. situated at Durgapur in West Bengal was closed down during the year 2000-2003. There is a growing demand for urea all over the country. Many efforts were made for revival of the unit in the last 2 years but with no result. Hence, I urge upon the Government to revive the Durgapur unit of HFCL immediately.
