Title: Need to construct embankment along the coastal area stretching from Ernakulam district to Thrissur district of Chalakudy Parliamentary Constituency in Kerala.

SHRI K. P. DHANAPALAN (CHALAKUDY): Sir, I would like to raise an important issue concerning my Constituency which comprises of seven Assembly Constituencies extending from south in Ernakulam to north in Thrissur District. In Thrissur District, there is 22 kilometres of coastal area extending over Kodungallur and Kaipamangalam Assembly Constituencies. These 22 kilometres of coastal area lay without protected by coastal belt from Azhikode to Chenthraipinny and extend over seven Panchayats. There occur frequent incidents of sea attacks leading to soil erosion and collapse of houses and trees situated in the coast. Casualties occur during the time of leap tides also. A few years back, severe casualties occurred during Tsunami also. People residing in this coastal area face serious difficulties due to frequent sea attacks. Besides, the 'Muzris', which was one of the famous ports in ancient India, is also situated in this coastal area. Excavation works are under progress and lakhs of antiquities are being excavated from this area.

Hence construction of coastal belt is of utmost importance for protecting this coastal area. Therefore, in view of the above facts, I would request urgent steps may please be taken by the Government for constructing a coastal belt at a length of about 22 kilometres from Azhikode to Chenthraipinny connecting those seven Panchayats immediately.
