Title: Need to revive the unit of Hindustan Fertilizer Corporation Limited at Durgapur, West Bengal.

SK. SAIDUL HAQUE (BARDHMAN-DURGAPUR): The Urea producing plant of Hindustan Fertilizer Corporation Ltd situated at Durgapur in West Bengal was closed down during the year 2000 & 2003. There is a growing demand of urea all over the country. Time testing exercises for revival of the closed unit have been made for the last 2 years, with no result. Hence I urge upon the Government to revive the Durgapur unit of HFCL.
