Title: Need to open a new Kendriya Vidyalaya at Sambalpur, Odisha.

SHRI AMARNATH PRADHAN (SAMBALPUR): Sambalpur, my parliamentary constituency, is the educational centre and as well as the commercial and industrial hub of the entire Western Odisha region. The Central Government staff as well as the staff of public undertakings are facing difficulties in getting their children admitted in Kendriya Vidyalaya as there is only one Kendriya Vidyalaya at Sambalpur City. So, I request the Government to open second Kendriya Vidyalaya at Sambalpur during current financial year in order to meet growing demand from parents in this regard.
