Tilte: Need to enact law to ban protests on National Highways and railway tracks.

SHRI RAMEN DEKA (MANGALDAI): It is a matter of grave concern that the people face immense difficulties due to bandhs and blockade of National Highways and railway tracks. For months together, bandh in northeast in particular caused a lot of sufferings to the people of the region.

The blockade of National Highways and railways hampered the development in North East region.

In view of this I urge upon the Government to enact a law to debar any protest affecting railways and National Highways.
