Title: Need to provide stoppage of express trains running between Nizamabad/ Kamareddy and Hyderabad-Secunderabad.

SHRI BHEEMRAO B. PATIL (ZAHEERABAD): I would like to bring to the kind notice of the Government the fact that in my Constituency, the people going to Hyderabad-Secunderabad from Nizamabad/Kamareddy are finding it difficult to go to the industrial areas like Bolaram, Atwal, Kompally, Bowenpally as they are being forced to go to the terminal station Secunderabad taking several hours to reach. Thus much time is being consumed and wasted in going to the work places and colleges.

It is, therefore, requested that effort should be made by the Hon'ble Minister to instruct the Railway authorities at Secunderabad to ensure two minute stoppage of some Express trains viz. Nanded-Vishakhapatnam (18510), Nanded-Shambalpur (18310) Amaravathi-Tirupathi(1 2760) Ajmer-Hyderabad (12720). This will bring a great relief to the passengers of this region.
