Title: Need to open a Kendriya Vidyalaya at Jayanagar.

SHRIMATI PRATIMA MONDAL (JAYANAGAR): Madam, I represent one of the most unique and vulnerable ecosystem called Sunderbans, a UNESCO World Heritage Site. A large portion of Sunderbans falls under my parliamentary constituency, Jayanagar, which is home to a large section of marginal community.

Madam, there is no Kendriya Vidyalaya in my parliamentary constituency. The nearest Kendriya Vidyalaya from my constituency is 90 kilometres away. It is very difficult for children to travel so far. So, I would request the hon. Minister for HRD to take care of this and consider my proposal to establish a Kendriya Vidyalaya over there.
