Title: Need to set up cold storages in Purulia Parliamentary Constituency of West Bengal.

DR. MRIGANKA MAHATO (PURULIA): Thank you, Madam. The farmers of different parts of the country, particularly in my constituency, Purulia, which is one of the remote districts of South Bengal, are facing severe problem regarding conservation of their vegetables and fruits due to shortage of cold storage.

I would like to request the Central Government to take immediate measures and actions in this regard so that at least five cold storages be built in every district to save the vegetables and fruits of the farmers from being destroyed due to non-availability of conservation.

HON. SPEAKER: Kunwar Pushpendra Singh Chandel is permitted to associate with the issue raised by Dr. Mriganka Mahato.
