HON. DEPUTY SPEAKER: You state what you want. Do not tell the other things.

SHRI K.H. MUNIYAPPA: I will explain it. You are also concerned. Coming to silk industry, Andhra Pradesh, Karnataka, Tamil Nadu and West Bengal are the areas where we are producing silk. It is a foreign exchange earning good. I request the hon. Minister to look into this. We will come with a delegation to explain the problem. Import duty has been reduced. The market has fallen. Silk farmers, reelersâ€"everybody is suffering. I would request the hon. Minister to increase the import duty and save the silk industry in India. It is getting foreign exchange for the country. I hope the hon. Minister will take care of this. I will bring a delegation to explain the problem.
