Title: Need to establish Central Institute of Naturopathy and Yoga in Namakkal Parliamentary Constituency, Tamil Nadu.

SHRI P.R. SUNDARAM (NAMAKKAL): Naturopathy & Yoga an ancient traditional science which integrates physical, mental and spiritual aspects of our body is very popular in my Namakkal Constituency. The multi-disciplinary approach of Naturopathy & Yoga uses the healing power of natural resources like food, herbs, earth, water & air to allow the body to heal itself. Our Hon'ble Leader Puratchi Thalaivi Amma had given importance to Naturopathy & Yoga by starting Lifestyle Clinics all over the State.

Hon'ble Prime Minister's efforts made the world nations to conduct International Yoga Day on June 21st. I have spoken many times in this august house regarding establishing a Central Research Institute of Naturopathy & Yoga at Namakkal District. I have also met the Hon'ble AYUSH Minister in this regard. The Namakkal District Administration has identified 23.61 acres of land in Anaipalayam Village of Rasipuram Taluk on the NH-17 for establishing the same. The identified land is located 100 Mts. away from NH-7 which connects northern & southern corridor of the country.

Hence, I request the Hon'ble AYUSH Minister to instruct the concerned officials to carry out the feasibility study for establishing Central Research Institute of Naturopathy & Yoga in my Namakkal Constituency.
