Title: Need to declare 72 Kms of State Highway between Asia Highway No.7 and National Highway No.150A as National Highway.

SHRI S.P. MUDDAHANUME GOWDA (TUMKUR): 72 KM of State Highway is connecting Asia Highway 7 and National Highway 150A in my Tumkur Parliamentary Constituency in Karnataka. This 72 Km road is very important since it connects Asia Highway near Kallambella in Sira Taluk and National Highway No 150A near Mayasoudra in Turuvekere Taluk via National Highway No 206 near Nittoor in Gubbi Taluk. Hence connecting this State Highway is very important as vehicular traffic is also very heavy.

Hence, I urge Union Government to declare 72 KM of State Highway between Asia Highway 7 and National Highway 150A via NH 206 in Tumkur district in Karnataka as a National Highway.
