Title: Need to expedite construction of railway halt station at Bansberia, Hooghly district, West Bengal.

DR. RATNA DE (NAG) (HOOGHLY): Since long there is a demand for construction of a Halt Station at Bansberia in Hooghly district of West Bengal. The name of the Halt station is Hazi Md. Mohisin halt station. Though, the work has started, it is yet to be completed. This line is the life-line for the rail passengers living in this area as this halt station would help in commutation between Hooghly district and the rest of the surrounding districts in West Bengal. Under the circumstances, I would like to strongly plead to Hon'ble Railway Minister for the completion of Halt Station at Bansberia of Hooghly district of West Bengal without any further delay.
