Title: Need to expedite the process for formulation of Port Trust Board in respect of Paradip Port in Odisha.

DR. KULMANI SAMAL (JAGATSINGHPUR): Sir, I thank you for giving me this opportunity to raise a matter concerning Paradip Port Trust.

I would like to mention that all the major ports of the country have their respective Port Trust Boards for smooth functioning of the administration and other activities of Port Authority. For formation of the Trust Board, a process of selection of members as well as industrial bodies is made every year. In this regard, I would like to draw the attention of hon. Minister of Shipping towards the reason why the formation of Port Trust Board in respect of Paradip Port in Odisha is being delayed whereas almost all the major ports of the country have already formed their Trust Boards by selecting the Trustees.

In this regard, I would like to state that the Trust Board plays a major role in decision making process of the Port which ultimately makes the development process smoother. It is well known that the performance parameters of Paradip Port are acknowledged. I personally feel as an ex-Trustee of the Trust Board of Paradip Port that the management of Paradip Port could be empowered to undertake various developmental projects to augment the capacity to sustain its competitive advantages, if a source of monitoring is made by the Trust Board. Hence, it is necessary to expedite the process for formulation of Trust Board by selecting the members early and I urge upon the Minister of Shipping to take initiative for the same.

HON. DEPUTY SPEAKER: The House stands adjourned to meet tomorrow, the 27th November, 2014 at 11.00 a.m.

The Lok Sabha then adjourned till Eleven of the Clock
