Title: Need to include Srikakulam town under JNNURM.

SHRI RAM MOHAN NAIDU KINJARAPU (SRIKAKULAM): Madam, I would like to take this opportunity to once again request the Central Government to include the town of Srikakulam, which is in my constituency, under the Jawaharlal Nehru National Urban Renewal Mission. The State Government has also requested the Central Government to include this town under this Scheme. Srikakulam is a city of great historical and tourist importance. We have got temples that are thousands of years old. There are a lot of tourists who are coming in. This would really help develop the town of Srikakulam. So, I would urge the Central Government to consider this proposal.
