Title: Need to extend the time-limit for linking Aadhar number with bank account for availing LPG subsidy.

SHRI ANTO ANTONY (PATHANAMTHITTA): There is a deadline by which LPG consumers were to link their bank accounts for availing gas cylinder subsidy. Even though, the last date for linking Aadhaar number with bank account for getting subsidy ended on February 15, a large number of LPG consumers in the country are yet to finish the procedures. As per report, 18 percent of household consumers in Kerala are out of the coverage of subsidy regime as the deadline has already ended. As a result, people who deserve the coverage of subsidy are deprived of it and this is an injustice. Therefore, I request the Government to kindly extend the deadline for linking of bank account for availing LPG subsidy.
