Title: Need to implement strict norms for the quality of packaged foods.

DR. KULMANI SAMAL (JAGATSINGHPUR): Mr. Deputy-Speaker, thank you for giving me this opportunity to raise a matter of importance during 'Zero Hour'. Nowadays, different black marketers are packing foods beautifully and selling them in the markets. By consuming these foods the people are suffering from different health hazards, like Gastroentitis, food poisoning etc. After repeated warnings, nothing so far has happened in this regard till today. So, I would like to urge upon the Government to take necessary steps in this regard to check this menace in the future.
