Title: Need to take steps to initiate or set up a Kendriya Vidyalaya at Vellore.

SHRI B. SENGUTTUVAN (VELLORE): Thank you, hon. Deputy Speaker, for allowing me to raise the issue of establishing a KV school at Vellore. Vellore constituency has a population of about 20 lakh people. There is a corporation and three municipalities in Vellore constituency. It has a healthy literacy rate of about 80 per cent. Though there are so many top educational institutions, at the level of school education it leaves much to be desired.

Therefore, I request the hon. HRD Minister to take steps to initiate or set up a Kendriya Vidyalaya Sangathan at Vellore which will fulfil the aspirations of thousands of people.
