Title: Regarding grave situation being faced by the people in the Ladakh region due to incessant roads.

SHRI THUPSTAN CHHEWANG (LADAKH): I would like to draw the attention of the Government to the grave situation being faced by the people in the Ladakh region of Jammu and Kashmir State due to incessant rains and instances of cloud bursts persisting over a period of 20 days which has completely paralysed normal life in the region.  $\hat{a} \in (Interruptions)$  People of Leh and Kargil are living under threat of death and destruction due to the fury of nature unleashed on them and they are forced to spend their nights out of their houses in places they perceive to be safe. ...(Interruptions) With memories of death and destruction caused to them in the floods of the year 2010 still fresh in their minds, people are not taking any chances which has perhaps resulted in minimum loss of human lives with only three confirmed deaths. ...(Interruptions) However, the magnitude of damages to movable and immovable properties and to essential services like irrigation canals, drinking water supplies, roads and bridges, etc. are far greater than what was caused in 2010. ...(Interruptions) There is an urgent need to carry out relief and restoration works for which the Government of India is required to sanction relief package.

I would request the Central Government to immediately depute a team of officials to assess the situation on the ground and sanction funds pending final report to carry out essential relief and restoration works. ...(Interruptions) The flow of Indus River has been obstructed at several places due to major landslides resulting in accumulation of water which could pose danger, especially the blockage at Baima Village inhabited by the tribals of pure Aryan race, which could prove disastrous unless immediate action is taken to solve it. . ...(Interruptions)

A team of NDMA may kindly be deputed to assess the situation on the site to prevent breach as happened in the case of Phuktal. ...(Interruptions) I would request the Government of India to take the matter with all seriousness that it deserves.  $\alpha a \ddot{a} = \alpha a \ddot{$ 

**माननीय अध्यक्ष :** ज़रूर ज़रूर, यह सब टीवी पर दिखाएँ। लोक सभा टीवी वाले ज़रूर यह सब टीवी पर दिखाएँ। लोगों को देखने दो कि किस पूकार का व्यवहार सांसदों का हैं। वेयर को टीवी पर दिखा के का कोई भौंक नहीं हैं। आप ज़रूर वेयर को ढिकए और लोगों को देखने दीनिए। पूरे हिन्दुस्तान के लोगों को देखने दीनिए। मेरा रिववैस्ट हैं कि Lok Sabha TV should show all these things. This is not the way. 40 लोगों मिलकर 440 लोगों का अधिकार मार रहे हैं। यह पूजातंत्र की हत्या हैं। यह पूजातंत्र नहीं हैं। ज़रूर आपको टीवी पर दिखाना चाहिए। टीवी पर ज़रूर दिखों और लोगों को दिखाइए। ज़रूर पूरे हिन्दुस्तान को दिखाएँगे। ज़रूर दिखाइए। पूरा हिन्दुस्तान देखे कि कैसे इरिस्पॉनिसबत लोग हैं। 440 से ज्यादा लोग यहाँ पर हैं जो बात करना चाहते हैं लेकिन केवल 40-50 लोग पूरे सदन को रोक रहे हैं।

Let them see. Let all the people see. That is really very good. That is very nice.
